VERIFIED the coverage of charges deriving from the assignment of the research grant with the financial resources coming from the project DBA.AD003.347 "PhotoSynH2" verification n. 9559/2022, GAE P0000869 CUP B93C22001050006;

ANNOUNCES

Art. 1

Research Project

There will be a public selection procedure, based on qualifications and an interview, for the assignment of n. 1 (one) - "Type of Grant: *Senior Research fellowship* (Assegno di ricercar Senior) for conducting research activities related to the Scientific Area "Biological Sciences" to be carried out at the Institute for Bioeconomy CNR – Sesto Fiorentino (FI) ” is intended to develop systems and process for sustainable use of bioresources for energy purposes, in the scope of the research program “**EU PhotoSynH2 Photosynthetic electron focusing technology for direct efficient biohydrogen production from solar energy**” for the following topic: "*Biological production of hydrogen by microalgae and cyanobacteria in laboratory bioreactors and in outdoor photobioreactors, also in association with bacteria (co-cultures)*", under the scientific responsibility of Dr.ssa Faraloni Cecilia.

Art. 2

Duration and amount of the Fellowship

The fellowship will run for **1 (ONE)** years and may be extended or renewed in compliance with the pro tempore legislation in force.

The overall duration of the relationships established with the holder of the grant and of the fixed-term employment contracts referred to in art. 24 of Law 240/2010, also intervened with public, private or telematics universities, as well as with the institutions referred to in art. 22, paragraph 1, of Law 240/2010, cannot in any case exceed 12 years, even if not continuously. To this end, the periods of absence due to maternity leave or state of illness are not taken into account, nor periods carried out prior

to entry into force of Law 240/2010.

Postponement of the start date of the research activity related to the fellowship, or disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. Any interruption of the activity related to the fellowship that is justified under the foregoing provisions, shall entail the suspension of the payment of the grant instalments for the period in which the interruption itself occurs, except for what is ruled by Art. 13 of the Guidelines, or by other specific regulations. The end date of the grant will be extended by a period equal to the duration of the interruption.

The amount of the research grant, paid in 12 (twelve) monthly instalments is set at **euro 26,000.00** (twenty-six thousand/00), net of expenses in charge of CNR (*art. 9 c.3,4 of the Guidelines*). The amount of the fellowship can be waived for the type of research grant and for fellowships activated on research programs or research training, financed or co-financed by National and International Organizations, whose specific legislation provides for the mandatory determination of the amount to be paid.

This amount does not include any remuneration for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The emoluments of the travels are determined in the same measure as for III professional level CNR employees.

The grant recipient is covered by a cumulative insurance policy underwritten by the CNR. The selected candidate will undertake her/his research activities in an autonomous manner, within the limits of the program prepared by the head of the research unit, without predetermined working hours.

Art. 3 **Requirements for admission to the selection**

To the selection may apply individuals who, whatever their nationality or age, are in possession of the following requirements at the date of expiry of the deadline for submission of applications:

- a) Hold a university degree in Biological Sciences or Agricultural Sciences obtained in accordance with the legislation in force before DM 509/1999, or a specialised degree in Biology 6/S, in Agricultural Science and Technology 77S or in Agricultural Biotechnology 7/S (according to D.M. 509/99), or Master's degree in Biology LM-6, in Agricultural Science and Technology LM-69 or in Agricultural Biotechnology LM-7 (D.M. 270/04) as well as a professional curriculum suitable for carrying out research activities PhD title with a minimum duration of three years in Biological Sciences or related subjects, suitable for the purpose of the project as referred to in Art. 1, at least two years of scientific-professional experience on biological hydrogen production preferably with microalgae (including cyanobacteria). This experience must be documented by peer-reviewed publications;
All qualifications obtained abroad (Master's degree, doctorate, and any other qualification) need to be previously recognized in Italy, in accordance with the current legislation (information on the website of the Ministry of University and Scientific Research: www.miur.it.) In the absence of the above formal recognitions, and with the sole scope of the present selection, the equivalence of diplomas obtained abroad will be evaluated, by the Examining Committee constituted according to art. 6 par. 1 of the Guidelines;
- b) experience in the field of the subject referred to in art. 1 declared in the manner referred to in art. specifically:
 1. Biological production of hydrogen preferably with microalgae (including cyanobacteria). documented by peer-reviewed publications;
 2. Proven experience in writing scientific articles.
- c) good knowledge of English, both written and oral;
- d) adequate knowledge of Italian (for foreign applicants only).

The research grant cannot cumulate with scholarships provided by the CNR or other organizations and research institutions, except for those granted by the CNR or other national or foreign institutions with the aim of supplementing the research activities of grant holders with visiting periods abroad. The

holders of research grants may attend PhD courses that do not result in payment of scholarships. Employees of the CNR with permanent or fixed term contract and permanent staff employed by other parties as indicated in art. 22, paragraph 1, of Law n. 240/2010 cannot apply, and application involves the placement on leave without pay to the contractor/employee employed by government. According to Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in the undergraduate or master degree, PhD with scholarship or medical specialization schools, in Italy or abroad.

Art. 4

Applications and details for submission

APPLICATIONS

Applications are to be exclusively written on the attached form (Annex A) and must be sent to the Institute for BioEconomy, only via Certified Electronic Mail (Posta Elettronica Certificata – PEC) to the address: protocollo.ibe@pec.cnr.it, by the final deadline of **21.12.2022**. If the deadline for submitting applications falls on a holiday, this deadline is understood to be extended to the first working day immediately following. Applications submitted after the deadline and incomplete applications will not be taken into account. The subject of the e-mail must indicate the reference to the selection notice **ADR 42.2022.IBE-FI**.

The applications and the certifications sent via PEC in accordance with the provisions of DPR 445/2000 will be considered valid only if the author is identified by the system through his own access credentials to the PEC.

Foreigner candidates, without any personal PEC accounts, can send the application and the declarations referred to in the following paragraph 5 via simple email to the address: segreteria@ibe.cnr.it and then sign it during the oral selection, in the case the candidate cannot subscribe the documents with a digital signature. To these foreign candidates, an email to confirm the receipt of the documents will be sent.

Applicants must produce a pdf document containing the curriculum in the form of a self-certification, to be completed in accordance with art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments. To this end they must use the attached form (annex B), by which they testify to the truthfulness of the contents of the Curriculum Vitae, and expressly declare, before the signature, that they are aware that, according to art. 76 of the DPR 445/2000, false declarations are punished according to the Penal Code; the form must be accompanied by a photocopy of a valid identity document (art. 76 DPR 445/2000). Such document, legibly signed, must be presented for identification at the interview (see Art. 7); no other documents will be accepted.

In the curriculum the applicant will detail personal facts and qualities; in particular she/he must analytically detail studies, qualifications, publications in print and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activity, providing the exact references for each qualification indicated.

The aforesaid declaration must be analytically drawn up and contain all elements useful to enable the Examining Committee to evaluate the related qualifications. No information provided in a form different from the above-mentioned standard will be evaluated. Self-certification foreseen for Italian citizens apply to EU citizens. Non-EU citizens resident in Italy can use declarations in lieu of affidavits only in cases where facts and qualifications are certifiable or ascertainable by public or private Italian subjects.

The Administration reserves the right to ascertain the truthfulness of the contents of the self-certifications in accordance with Art. 71 DPR 445/2000.

Applicants with disabilities, in relation to their disability, in the application to the selection must explicitly request the required support.

The applicant's products (e.g., technical reports, monographs, book chapters, and patents) that cannot be found on the internet or those that can be found on the internet but are not accessible for free, should be sent by the applicant by e-mail.

The applicant must not produce any further documentation, in accordance with art. 15 L. 183/2011.

In accordance with Law 183/2011 (art. 15), public administrations and private managers of public services cannot ask for or accept certifications regarding personal states, qualities and facts. Such certifications must always be replaced by self-certifications or declarations in lieu of affidavit (art. 46 and 47 DPR 445/200).

The application must be accompanied by the form (Annex C), in PDF format, concerning the information on the processing of personal data provided pursuant to Regulation (EU) no. 2016/679; the aforementioned form must be completed, dated and signed by the candidate with a legible handwritten signature.

All the communications regarding this call announcement will be sent to the PEC/email address of the candidates; CNR does not assume any liability for possible disservice of web connection

Art. 5 Exclusion from the Selection

Applicants are conditionally admitted to the selection.

The exclusion from the selection process for failure to meet the selection requirements can be arranged at any time with a reasoned order by the Director of the Institute. The exclusion will be communicated to the applicant.

Art. 6 Examining Committee

The examining Committee shall be appointed by order of the Director of the Institute. It is composed of three members, one of which will be the Scientific Supervisor, plus two alternate members. The members of the Committee, who may be internal or external to CNR, shall be expert in the field, with a researcher/technologist professional profile. If the Director deems necessary to activate the equivalence procedure for the qualifications obtained abroad (see the last sentence of art. 3 par 1 of the Guidelines) she/he may appoint a University professor as one of the members of the Committee. The functions of secretary may also be provided by a member of the Committee.

In the first meeting, the Committee will appoint its own President, and, if necessary, the member who will perform the functions of secretary.

The Committee can carry out the procedure by electronic means.

The Committee shall conclude its work within sixty days from the deadline for submitting applications, except cases of justified impossibility.

Art. 7 Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and the interview. For each candidate, the Committee has a total of 100 points, split as follows: 70 points for the assessment of

qualifications and 30 points for the assessment of the interview. **Candidates who have reported a minimum score of not less than 35/70 in the examination of qualifications are admitted to the interview.**

The Committee will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the assessment of the requirements for the type of grant of the selection such as the degree, the Ph.D., the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, the participation in national/European projects and the research activities undertaken in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4 of the Guidelines.

Those candidates who have applied according to the terms and conditions set out in this notice and who have not received notice of exclusion from the selection by receiving a certified e-mail message, are required to attend the interview that will be held on 11.01.203 at 15:00 at Institute for BioEconomy, Via Madonna del Piano, 10 - 50019 Sesto Fiorentino (Florence)

The publication of this Notice is to be considered as a call; it is deemed as definitive and no further communication will be sent to applicants in this respect, except those relating to the methods of carrying out the interview "remotely".

Following the interview, the Commission will compose the list of the examined applicants, detailing the score each candidate obtained in the interview; this list, signed by the President and the Secretary of the Committee, will be posted on the same day on the notice board of the examination centre. To be admitted to the interview, candidates must present a valid personal identity document. Applicants who fail to show up for the interview will be declared non-eligible.

At the end of its work, the Committee shall prepare a report, expressing a reasoned judgment on each applicant, albeit in a synthetic form.

The Committee issues the merit ranking, in descending order with respect to the final score, obtained as the sum of the scores achieved in the evaluation of the qualifications and in the interview, and points out the winner/s. In case of equal scores, the younger candidate is preferred.

The merit ranking shall be approved by the Director of the Institute, who will publish it to the notice board of the examination site, and on the CNR website www.urp.cnr.it, as well as with all other forms of dissemination provided for this Notice of Selection.

All candidates will be informed of the result of the selection, by a communication sent via PEC.

The definition, within the merit ranking, of a short list of suitable candidates is not permitted. However, in case one or more winners renounce the grant before its commencement, after consulting the Scientific Supervisor, the Director of the Institute can replace him/her/them following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by the candidates for the participation in the interview

Art. 8

Formalization of the relationship and termination of the contract

Within 15 days from the publication of the merit ranking list, the Director of the Institute shall have the order of conferment of the research grant (two copies), mentioning, among other things, the starting date of the research, delivered, in two copies, to the winner/s of the selection. By the deadline of 5 days from its receipt, the winner/s of the selection must mandatorily, under penalty of forfeiture, return a copy of said order of conferment, countersigned for acceptance, as well as a declaration that

she/he/they is/are not under any of the impediments of art. 3, par. 3, 4, 5 and art. 4 par. 2, 3 of the Guidelines. Any delay in the beginning of the research activities can be allowed only in the cases provided for by art. 2 of this Notice of selection, or for duly substantiated reasons of force majeure.

The winner shall submit to the Director, via email and within 5 from the date of acceptance of the grant. the following documents, prepared in accordance with the provisions of Presidential Decree DP 445/2000:

- a) a self-certification, stating date and place of birth, citizenship, political rights, education;
- b) a declaration in lieu of affidavit, on unstamped paper, that she/he does not have an employment relationship with any public or private employer, and that she/he has not been dismissed or discharged from the Public Administration for persistent poor performance, and that she/he has not been declared out of office in any other state employment for having obtained it through the production of false or invalid documents, and that she/he was not disqualified from holding public office on the basis of res judicata;
- c) a photocopy of the Italian fiscal code card (codice fiscale);
- d) in case the winner is an employee of a Public Administration, before beginning the research activity she/he must submit a declaration in lieu of affidavit of the placement on unpaid leave.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

With justified decision of the Director of the Institute, the fellow who, after starting the planned activity, interrupts it without justification, or who does not carry it on regularly and continuously for the entire term, or who is responsible for serious or repeated misconduct or, finally, who proves not to have sufficient aptitude, may see all further payments of the grant cancelled. Such measure will be taken on the proposal of the Scientific Supervisor.

If the grant recipient, on the grounds of personal reasons, cannot see the planned activities through completion, and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Scientific Supervisor. It is understood, in this case, that the grant holder must return any amounts received and not due.

Art. 9 Evaluation of the research activity

Before the expiry of the contract, the Scientific Supervisor and the grant recipient shall forward to the Director of the Institute, a complete report laying out the progress of the research activity.

The Director will evaluate the report with a reasoned and unquestionable appraisal. In case of positive evaluation, and at the request of the Scientific Supervisor, the Director will decide on the renewal of the grant and on its possible allocation to the next higher amount of the grant typology referred to in this notice of selection (see art. 9 par. 5 of the Guidelines).

Art.10 Processing of personal data

The personal data provided by the candidates are processed for the purpose of managing the selection process, including the possible use of rankings and the subsequent possible awarding of the grant, as specified in the information contained in the Annex C form.

The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome

as Data Controller, in accordance with Regulation (EU) n. 2016/679 and Legislative Decree DL 196/2003. The contact point at the Data Controller is the Director of the Institute who issued the selection notice, whose contact details are: protocollo.ibe@pec.cnr.it -Via Madonna del Piano 10-50019 Sesto Fiorentino (Florence)

The provision of data is mandatory for the purpose of assessing the requirements for participation; failure to comply will lead to the exclusion of the applicant from the selection.

The interested party enjoys the rights set forth in articles 15 and subsequent of Regulation (EU) 2016/679, as specified in the information notice contained in the Annex C form, pursuant to art. 4 of this selection notice. Such rights may be exercised in the ways described in the form itself.

Article 11 Advertising

In addition to particular forms of advertising specifically required by the programs funders, the Notice of selection shall be made public by the Director of the Institute, by posting it on the website of the Institute, and of the CNR (www.urp.cnr.it), and by publication on the website of the MIUR, that will later publish it on the website of the European Union.

Article 12 Final Provisions

Where not explicitly specified in this notice, the provisions of the Guidelines, apply, as do, for the compatible parts, the regulations on public competitions currently in force.
